

A one-stop web education and compliance platform

Infection control principles targeted to your needs

A user-friendly web-based tool with powerful capabilities – the ACT on HCAI education tool supports you in demonstrating compliance with essential standards and improves staff access to evidence-based education.

For the learner:

- interactive on-line quizzes
- feedback and action steps
- downloadable learning resources
- individual development plan
- personal printable certificate

For the trainer:

- set your own passmark
- view individual results
- collate and export evidence
- review activity profiles
- download support guides.

To register your interest in finding out more about Healthcare A2Z's ACT on HCAI education tool, or to request that we develop a tool specific to your area of practice email us at: hcai@healthcareA2Z.org
